THANK YOU.

Thank you for selecting Atlanta Brain and Spine Care for your treatment. To help our healthcare providers with their evaluation, we request that you bring the following items with you or have the items sent to our office prior to your appointment.

❑ **Copies of Your Medical Records from Your Referring Physician**

Please complete the enclosed form and ask that your referring physician mail your medical records to our office prior to your visit. **In some situations, if we do not have these items when you arrive for your appointment, your appointment will be rescheduled.**

NOTE → If you are scheduled to see Dr. Haid and you previously saw him at Emory, you will need to contact Emory and request that your medical records are mailed to our office. You may use the enclosed form to expedite this process.

❑ **X-ray's, MRI's or CT Scans**

Please bring these items with you. Our healthcare providers need these items to diagnose your condition. In most situations, if you do not have these items when you arrive for your appointment, you will need to set up an additional appointment after the diagnostic test is performed. **In some situations, if you do not have these items when you arrive for your appointment, your appointment will be rescheduled.**

Patients are responsible for their films. Patients must obtain their films and bring them or have them shipped to our office for their appointment. If patients want their films returned, patients may either pick up their films or patients must remit a shipping and handling fee to our office prior to shipping and provide a ship to address. Our office does not store films which our providers do not anticipate needing in the future.

If the patient's physician anticipates needing the films after the appointment, the films will be filed in our office. At the time the films are no longer needed, the patient will be notified and will have thirty (30) calendar days from the date of notification to pick up the films or remit a shipping and handling fee of thirty dollars (\$30) to our office. The shipping and handling fee must be received prior to the films being shipped. The patient must provide the ship to address and the address must be within the United States. If the patient does not pick up the films or remit the shipping fee by the end of the thirty (30) day period, the films will be discarded.

If the physician sees a patient and does NOT anticipate needing the films in the future after the patient's appointment, the patient may pick up the films or ask that we ship the films to an address in the United States. The patient must provide the ship to address. If we ship the films, there will be a thirty dollar (\$30) shipping and handling fee that must be paid in advance of shipping. If the fee is not remitted, the films will be kept for thirty (30) calendar days and then discarded. The thirty day period begins with the date of the last office appointment.

❑ **New Patient Packet**

Please complete the enclosed paperwork and return it to our office at least one week prior to your appointment. **If our office does not receive this information prior to your appointment, your time at our office may be extended by at least two (2) hours and may ultimately result in you having to reschedule your appointment.** We can not sufficiently stress the importance of completing and returning the paperwork prior to your appointment date. Also remember to bring your insurance card(s) and picture identification.

**We kindly ask that you provide twenty-four hours notice for appointment cancellation.**

If you have questions or concerns, please call us at (404) 350-0106. We look forward to meeting you.

We require all patients to show their insurance or managed care membership card, and their driver's license, so that we may make copies for our permanent record.

We cannot render services on the assumption that our charges will be paid by an insurance company. All services are charged directly to the patient, and he or she remains personally responsible for payment. As a courtesy, however, we will prepare any necessary reports and itemizations to assist in making collections from insurance companies and will credit any such collections to the patient's account. Payment is expected at the time of service. For your convenience, we accept Visa, Mastercard, American Express, Discover, check, money order or cash. If surgery is necessary, we will ask you to remit the estimated patient responsible portion of the surgery charge at the time the surgery is scheduled. When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

**PAYMENT AND RELEASE OF INFORMATION AUTHORIZATION**

I, \_\_\_\_\_, hereby authorize Atlanta Brain and Spine Care to furnish information concerning my present illness to third party payers. I direct the insurer to pay, without equivocation, directly to the physician, all benefits due him or her as a result of the claim. Although covered by insurance, I am aware that I am personally responsible for all charges. I agree to pay any collection and or attorney fees associated with my failure to pay my debt. A photo static copy of this authorization will be valid as the original.

I hereby authorize Atlanta Brain and Spine Care to release the medical information contained in my chart to my insurance carrier for the purpose of conducting chart reviews, as necessary.
